(in progress)

Google: Digital Workshop, 2023

Basics of digital marketing

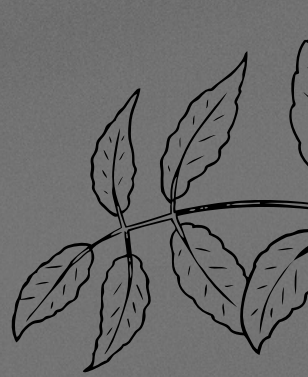

(in progress)

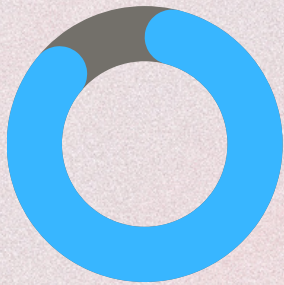

Skill Abilities

In my opinion, soft skills are just as valuable as hard skills.

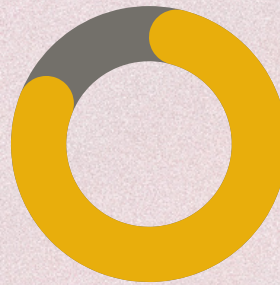

Analytical skills

analytics of processes in the world of social marketing and relevant tools for optimization

Time management skills

time management allows you to achieve the best results with minimal time and maximum productivity

Work for results skills

purposefulness helps me create the best projects and bring their implementation to a result

Hobbies & Interests

As for me, hobbies help in improving well-being, developing skills and improving productivity

Psychology

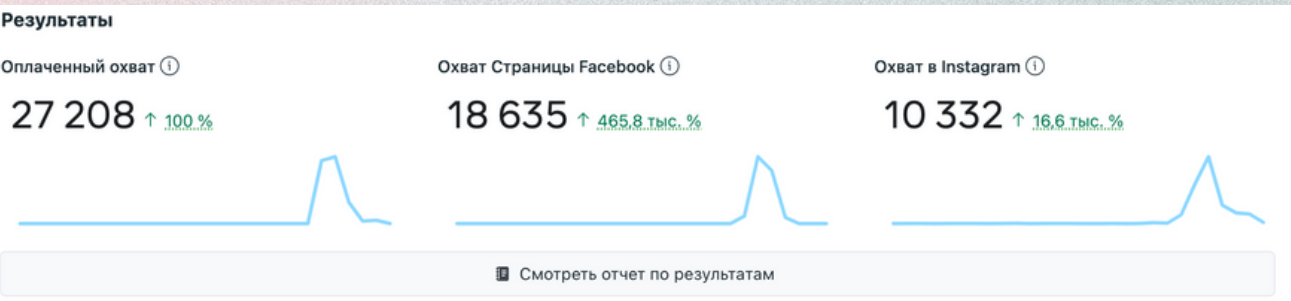

Cinema

Jules
