

Turkish language

why should I study Turkish?

#TURKISHLANGUAGE

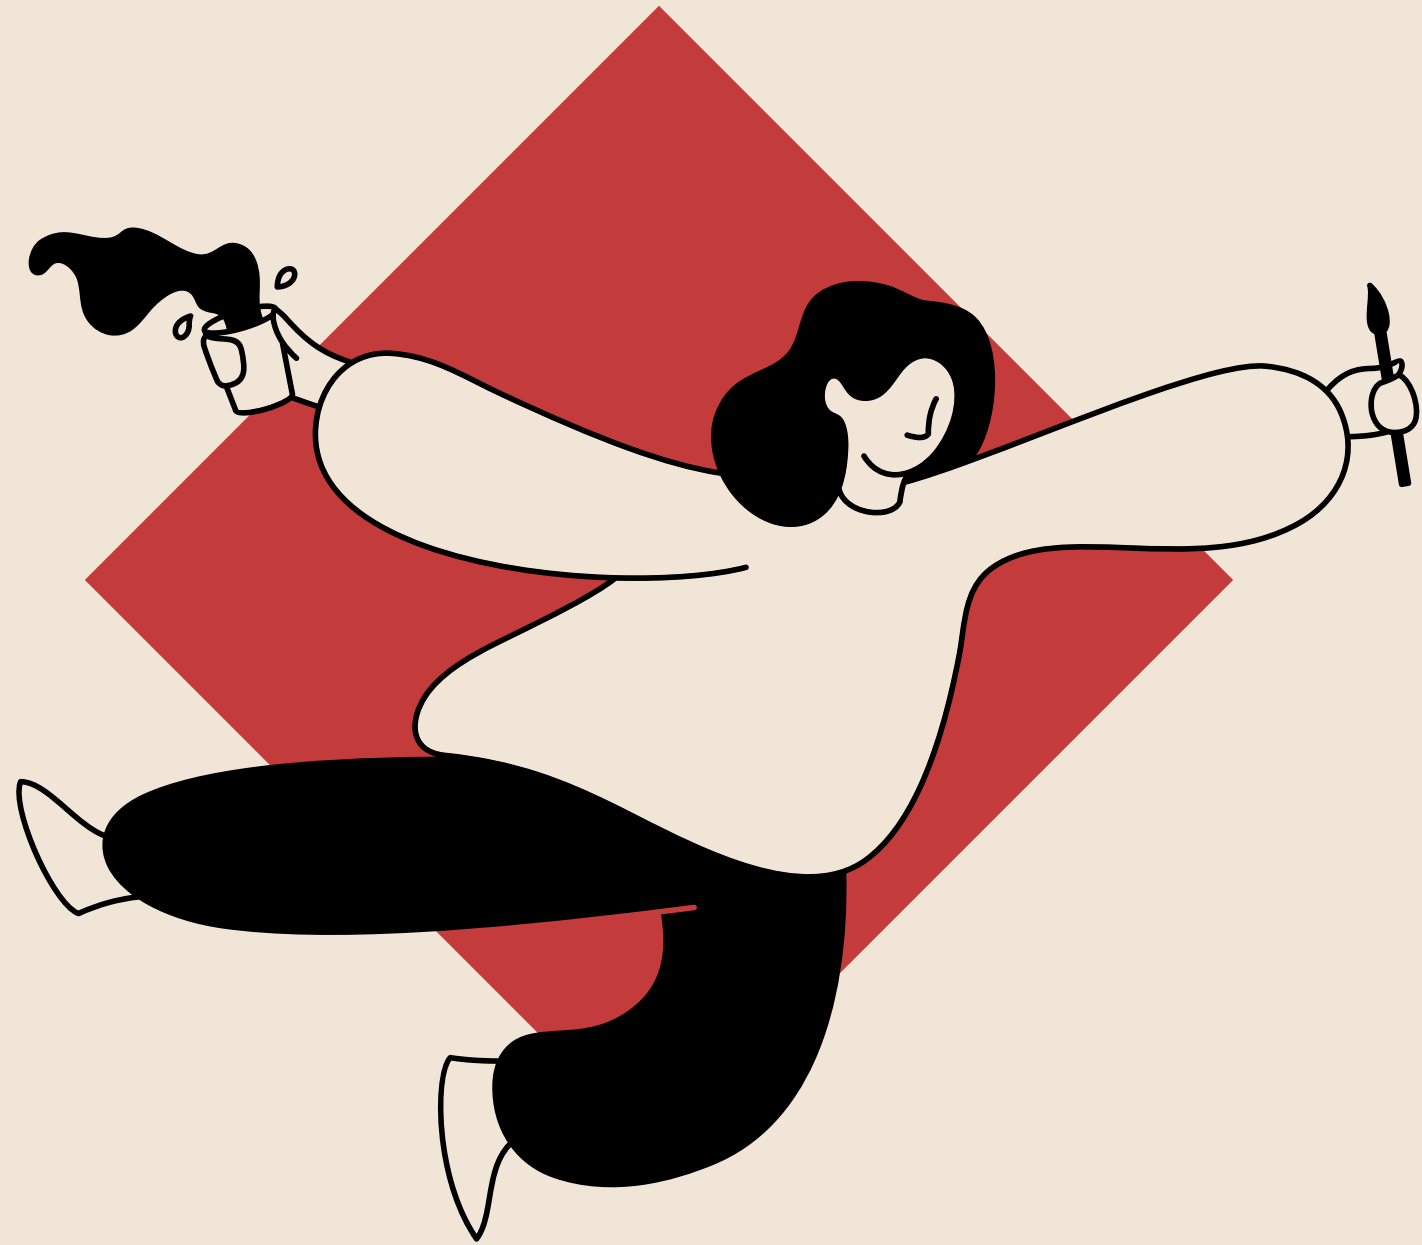

01.

Knowledge of the language
will expand your
opportunities in the business
world and facilitate mutual
understanding with partners.

#TURKISHLANGUAGE

2.

You will be able to get information about Turkey from primary sources and know what is happening in the country. There will also be an opportunity to enjoy Turkish films, TV series without dubbing, read books in the original language.

03.

If you are a student or a future interpreter, knowledge of an additional language will significantly increase your chances of applying for a prestigious job.

4.

You will be able to make
new interesting
acquaintances.

05.

Education or obtaining a residence permit in Turkey

#TURKISHLANGUAGE

6.

Turkish interpreters are in great demand because our countries have close political ties. It's also an easy language if you already know a little Latin.

Thank you for your attention
