### **Freelance**

→ As a freelance English tutor, I offer my services to individuals or groups seeking to improve their language skills. With over three years of experience teaching both English and Russian, I have developed a strong understanding of how to effectively communicate and engage with students. My Bachelor of Arts degree in languages has equipped me with the necessary knowledge and skills to create dynamic and engaging lesson plans that cater to the specific needs of each student.

→ Whether you are looking to improve your conversational English or simply want to gain a better understanding of the language, I can provide personalized help in achieving your goals. I am dedicated to creating a positive and supportive learning environment that encourages students to ask questions, share their opinions, and actively participate in their own learning process.
