Cloudbet - Established German Casino Site 8.0/10

The screenshot displays the Cloudbet Casino website. The top navigation bar includes links for Sports, Casino, Live Casino, Marketplace, and More. A sidebar on the left provides quick access to various casino sections. The main area is dominated by a large 'FREE SPINS GIVEAWAY' banner for NetEnt. Below this, a 'Popular games near me' section showcases five game cards, each with a game title, provider, and RTP percentage. At the bottom, there's a 'New games we love' section.

Cloudbet has been established in 2013 and since then, has attracted over 300,000 players to the platform. The Casino would especially appeal to German players seeking game assortment and supported crypto variety from a single site. With the massive support of over

300 fully mobile-compatible titles, Cloudbet delivers a convenient experience for Crypto gamblers that like their casino to have maximum safety measures in place, as backed by the Curaçao license and the availability of the Provably Fair protocol.

Considering the mentioned benefits, Cloudbet secures a respectable second position on our list. Unfortunately, Live Chat is not available on the platform, being the only downside of the site.

KingBit Casino - Extensive selection of Crypto games 7.5/10

We list KingBit Casino on our list not only due to amazing game availability for players from Germany, but also due to its extensive selection of available Bitcoin and Crypto coins supported on the platform. KingBit supports not only common Bitcoin currency but also Tether, Ripple, and Ethereum amongst other coins.

Amongst the amazingly convenient interface and overall lightning speed of the loading page, we have chosen KingBit as one of the leading choices for Crypto gamblers from Germany. Especially, considering that the Live Chat is available 24/7 for those who want help to be available immediately.

With the support of the Curaçao license and the above-mentioned factors, we grant KingBit Casino a respectable third position on our list.

Crypto Wild - 150% Welcome Bonus up to 1BTC 6.8/10

At Crypto Wild, German players can use the welcome 150% Bitcoin and Crypto bonus that can be as high as 1BTC. The casino was established in 2017, and since then earned a good reputation amongst those that like a combination of the deposit bonuses and vast game availability.

Live Chat, which is available 24/7, has helped us to acquire help finding the necessary Bitcoin games to test them for this review. We have found that all the offered games are compatible with mobile devices and tablets.

Talking about the User Interface, we would say that the platform's design is quite average looking, but still simplistic and convenient.

run4win - Best for Bonus variety 6.8/10

At 5th position, we have run4win, another Curaçao project that supplies a high game availability for those that play Casino with Crypto and Bitcoin from Germany. It provides an extensive Bonus lineup that would appeal to many players out there, including ourselves.

In terms of game providers, all the major ones are integrated and fully compatible with mobile phones and tablets. No need to install additional software. Games from the likes of Pragmatic, Relax, Hacksaw, Red Tiger, Spribe, Evolution, and more are available here with seamless integration with any device and fast game loading speeds, as we have not encountered any latency issues while playing at the site.

Be aware that KYC can be requested at the casino to verify your identity prior to withdrawing the funds.

20Bet - Casino and Sportsbook in a single place

6.4/10

The screenshot displays the 20Bet website interface. At the top, there's a navigation bar with the 20Bet logo, mobile app download links, and categories like Sports Betting, Live Betting, Casino, Live Casino, Racing, and Leaderboards. A language selector (EN) and login/sign-up buttons are also present.

The main content area is divided into several sections:

- WELCOME BONUS FOR SPORTS BETTING:** A large banner offering a 100% bonus up to 100€ with a 'SIGN UP' button.
- SPORTS BETTING:** A section with tabs for various sports (Soccer, Tennis, Basketball, etc.) and a list of live events with odds.
- LIVE (107):** A sidebar on the left showing live events, including K-League 2 and ATP Gstaad, Switzerland.
- BET SLIP:** A sidebar on the right showing the current bet slip, which is empty, and a 'BET' button.

The bottom of the page features a cookie consent banner and a 'Waiting for platform.20bet.com...' message.

20Bet stands out amongst other websites on the list due to availability of both Casino and Sportsbook in a single place. German players will be able not only to play their favorite Casino and Live Casino games, but also participate in betting while watching their favorite sports.

With the availability of high-quality Live Chat 24/7 and with many Crypto coins integrated, 20Bet makes a solid addition to our list.

In terms of mobile support, the mobile application must be installed in order to play at 20Bet, which provides a little inconvenience to the overall experience.

BetRoom24 - Massive Bonuses and Game Variety

6.3/10

Betroom24 features over 300 games for the players that use Crypto and Bitcoin and are located in Germany. We were surprised to encounter a wide range of bonuses that include 100% deposit bonuses, 50% reload bonuses, cashback bonuses, and various tournaments.

In regard to regulation, the casino is licensed by the Curaçao Government and some of the games are Provably Fair certified.

We have found that all games are fully compatible with mobile phones and tablets, which furthers the overall gaming experience at BetRoom24. A definitely recommended site for those seeking both great bonuses and game variety.

PlayAmo - Enjoy game variety and the VIP Program 6.3/10

Playamo has been on the market for over 5 years. Providing a Curacao-regulated project, they supply a high amount of games for those German players that use Bitcoin and Crypto for their gameplay. Be aware that the documents can be requested while playing here.

With Massive bonus multipliers, VIP Program, a high Crypto provider amount, Live Chat available 24/7, we rate Playamo as a decent choice for those that access online gambling from Germany.

We have found that all the games are fully compatible with smartphones and tablets, however, an installation of a mobile app is required in order to play the games on Playamo. Talking about the downsides, we have found that the wagering requirement of x50 is slightly high.

Sharkcasino - Provably Fair Crypto Gaming 6.0/10

Sharkcasino is a newer addition to our list. Despite being established just recently in 2023, the casino has become one of the best platforms for German players due to high game availability and a supported crypto list. The platform is regulated by the Government of Curaçao.

The casino offers a generous 100% + 50 Free Spin bonus for the first deposit, along with regular Reload Bonuses and weekly Free Spin giveaways. Bonuses do not end there, as regular tournaments and missions are also playing a big role in the casino's reward structure.

Sharkcasino suits perfectly in terms of safety as well, as it is regulated by the government of Curaçao and provides Provably Fair gaming for those that are concerned about the fairness of their gameplay.

BetChan - Weekly Crypto Cashback 5.1/10

Betchan is a platform that is known for the amazing weekly cashback offer. We have found a high amount of games available for Crypto from Germany with titles from providers such as Pragmatic, Evolution, BGaming, Spinomenal, and more. We have found that lots of titles are

integrated with mobile phones and tablets and didn't have to install additional software to play the games. Unfortunately, Bitchan supports Bitcoin only.

With a decent wager requirement of 40x, Human Live chat available 24/7, and the availability of Malta licensing on the platform, we definitely advise Betchan Casino for those German players that play for Crypto.
