

KONSTANTIN BRIK

Junior Front-end developer

ABOUT ME

Web Development:

Experience with HTML, CSS and JavaScript, as well as modern frameworks, including Vue.js 3.

Styling Tools:

Knowledge of Bootstrap 4/5 and skills in working with CSS preprocessors (SCSS, Sass, Less).

Interaction and Animation

Experience using Swiper.js, Slick.js, jQuery and creating SVG animations.

Build and management:

I actively use development tools such as Vite, NPM and Git.

Responsiveness:

I create responsive applications for optimal display on different devices.
