TATTOO PARLOR

SONATA TATTOO

SonaTa tattoo salon is the first tattoo salon exclusively in Japanese style with the concept of "Closed eyes"

OUR CONCEPT

The concept of our tattoo parlor is that we are one of the few, and maybe even the only tattoo parlor that takes exclusively Asian-Japanese designs as a basis.

The highlight is that you don't come to us with ready-made samples or sketches or choose from ready-made ones, and we close your eyes until the end of the session and you literally give us your body to the mercy of fate. Hence our slogan "Closing your eyes"

OUR STUDIO IS CREATED FOR PEOPLE WHO LOVE THRILLS, TICKLE THEIR NERVES AND COMPLETELY SURRENDER TO THE PROCESS OF UNPREDICTABILITY, SO IF YOU ARE THE ONE WHO IS READY TO COMMIT A CRAZY ACT - YOU ARE WELCOME TO US!
