No pledge
Without Collateral

You can use the Law The Inflation Reduction Act of 2022 (IRA), which allows you to receive preferential subsidized financing from the United States, ~~without collateral.~~ **with no pledge**

For Any Country

Your business can be located in any country, and nevertheless, you can apply for preferential American financing after purchasing a special company "SPAC".

No
Without Revenue

If you do not have revenue or its size is insufficient, you can buy a special investment company "SPAC" and get a preferential investment loan for this company.

Vlad Bestuzhev
Your Financial Advisor

Our team is your reliable partner in obtaining preferential subsidized loans from American banks. Our mission is to help entrepreneurs from anywhere in the world realize their ambitious projects, even if it seems that there is almost no chance.

pledge

~~No collateral?~~ Does the revenue leave much to be desired? It doesn't matter! We have found a solution just for you and will help you get a loan on the best terms.

How we help:

- 1 Preferential lending:**
Get access to American subsidized loans that will help your business grow and develop without unnecessary burden on finances, in any country in the world.
- 2 SPAC as a solution:** **pledge**
If you are unable to provide collateral or your revenue does not meet the requirements of the bank, we will offer a unique opportunity – a loan to a SPAC (special investment company).
- 3 Payment for our services is for the result:**
You pay our fee only after you have received the loan. No unforeseen expenses are provided. You can buy SPAC from any broker.

Vladislav

I am Vlad Bestuzhev, more than 20 years in the banking business. He worked his way up from an ordinary loan manager at Sber Bank to a specialist in business loans at Morgan Chase Bank. I am sharing my experience and practical developments with you.

My team includes specialists in the development of business plans and financial models, as well as American lawyers.

In the course of our work, we do the following:

1. We choose the best path for your project.
2. We find SPAC sellers if you entrust the deal to us.
3. We find a credit broker and negotiate with him.
4. We adapt your project and support it in the bank.
