

# Energy, Commodities & Shipping

DMG International DMCC is a fully integrated commodity trader and shipping services provider.

[Contact us](#) ↘

## About us

DMG International stands as a fully integrated player in the physical commodity trading arena, with a primary focus on the energy commodities such as coal, petroleum coke, bitumen, diesel etc.

The firm boasts a broad network of clients and suppliers throughout the Asia-Pacific region.

**40+**  
clients

**10+**  
years of experience

## Sustainability

DMG International is steadfast in its commitment to sustainability and actively supports the global transition towards a low-carbon future, in alignment with the commitments outlined in the Paris Agreement of the United Nations Framework Convention on Climate Change (UNFCCC).

Our Environmental, Social, and Governance (ESG) strategy is meticulously designed to address pressing climate, environmental, and social challenges, while fostering the Asia Pacific region's shift to a cleaner energy mix.
