# ABOUT ME

Hello, my name is Taisiya, I'm 17 years old and a beginner photographer.  
Photography is what inspires me. I just recently started my journey in this direction.

# PORTFOLIO OVERVIEW

## A Showcase of Captured Moments

I'm thrilled to help you bring your ideas to life! Your outlook is the most important factor in this process, and I'm here to make it as smooth and enjoyable as possible.

# CONCEPT & VISION

## My Creative Vision

As an aspiring photographer, I specialize in portraiture, where light and simple objects become my tools to create an atmosphere. I want to reveal the individuality of each person through the play of shadows, images and details, using the surrounding

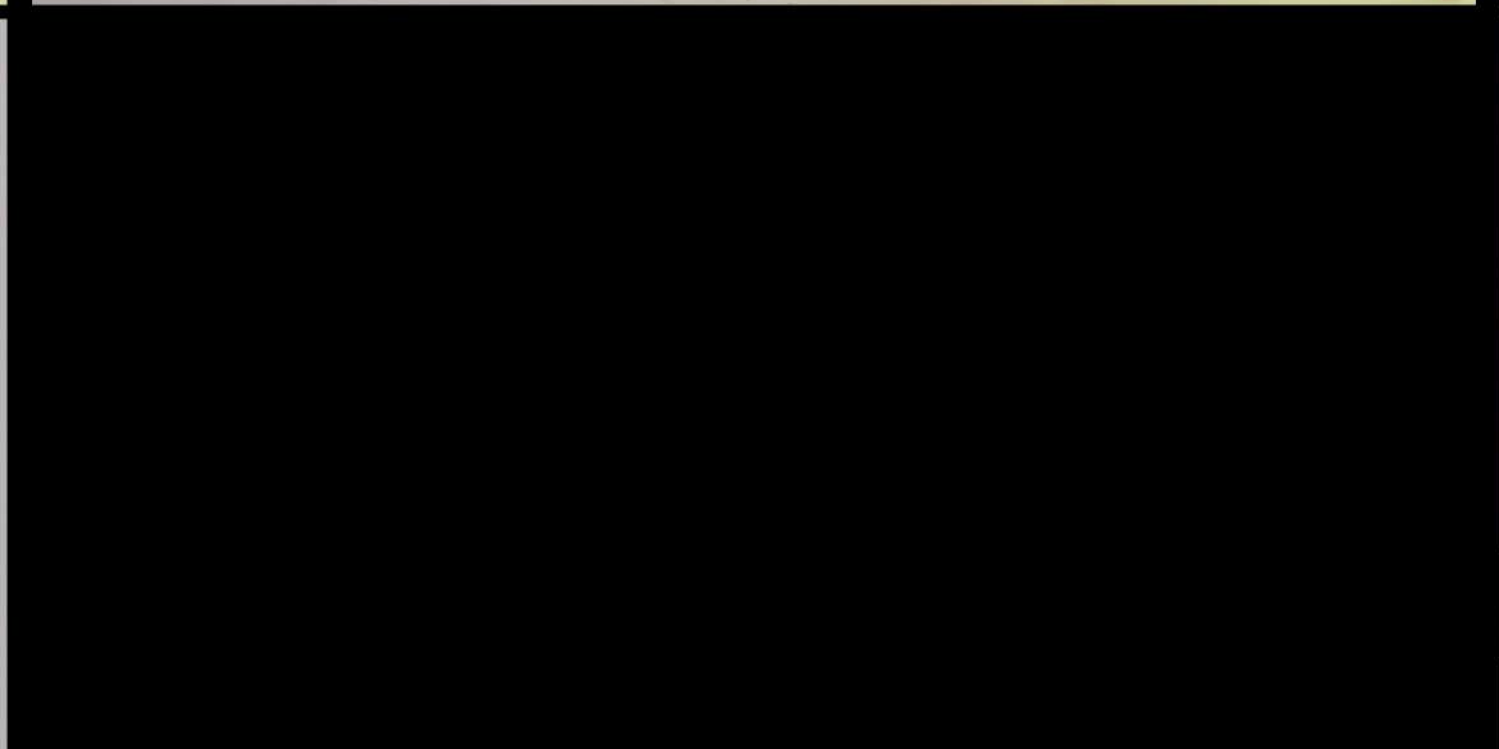

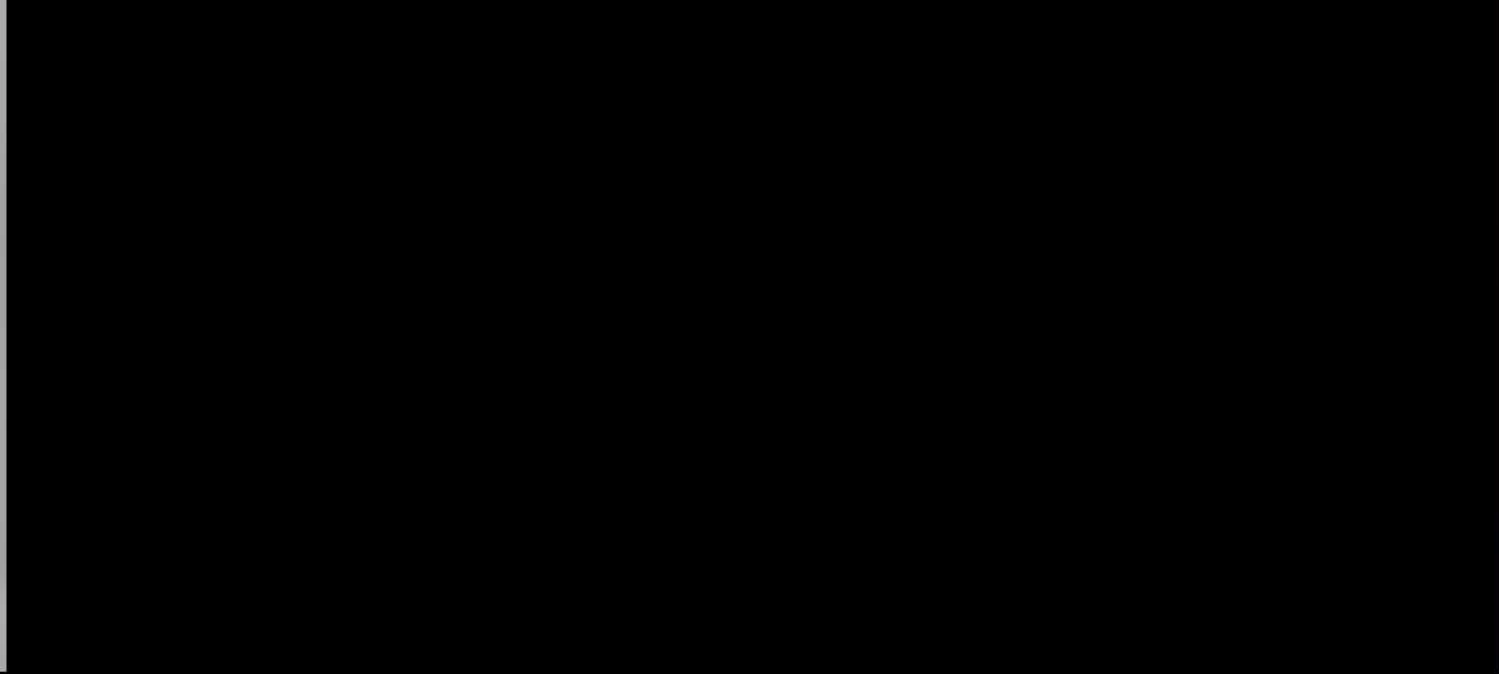

I am often inspired by architecture and nature. I like to capture their harmony, focusing on geometry, textures and natural light.

My vision of photography is the ability to find something unique in the everyday, creating shots that tell a story and evoke emotions.
