VERSTA STORE

A 3D architectural rendering of a modern building facade. The building features a dark grey, horizontally-paneled upper section and a large glass window below. A prominent sign is mounted on the upper section, displaying the text 'VERSTA STORE' in large, white, 3D block letters. The letter 'A' in 'VERSTA' is replaced by a stylized white icon of a smartphone. The building is topped with a dark metal railing. The sky is a clear, light blue with a few wispy clouds. The overall style is clean and contemporary.
