

# CONTENT MANAGER

## Graphic designer & 2D illustrator

### ABOUT ME

Multidisciplinary designer, illustrator and content creator with extensive experience in 2D and 3D graphics and digital art. Creating not just visual solutions, but thoughtful concepts that engage and inspire. My experience spans graphic and motion design, illustration, concept art, branding, manga, digital marketing and SMM. I also specialise in developing designs for machine embroidery, screen printing, gift printing and printing. Flexibility, creativity and strategic thinking allow me to go beyond standard solutions to create unique products that deliver results.
