A 3D architectural rendering of a building's exterior. The building features a light grey upper section with horizontal paneling and a dark blue lower section with large glass windows. A red metal railing runs along the roofline. The focal point is a large, three-dimensional red sign on the grey wall. The sign reads 'SMIAK' in a bold, sans-serif font, with the letter 'I' replaced by a stylized airplane icon. Below 'SMIAK', the word 'TRAVEL' is written in a smaller, similar font, flanked by two horizontal red bars.
