

Anastasiia Prykhodko

I am Linkbuilder/Outreach Specialist who is aimed to development and demonstrates proactivity and responsibility. I can evaluate quality of links and understand which link can be useful (noindex/nofollow, robots.txt restrictions). I have experience with outreach systems automation, highly competitive white hat or gray hat niches and foreign markets. I am a good team member and a quick learner specialist. I aim to develop my linkbuilding and SEO skills.
