I am a creative and motivated 2D artist with experience in creating illustrations and concept art. I am looking for an opportunity to grow in the gaming industry.

I'm ready to relocate if necessary.

WORK EXPERIENCE

02.2021-04.2022

Illustrator – Easybrain Ltd company

I created 2D illustrations for mobile games and adapted them for animation.

I worked closely with animators and designers to optimize graphic elements.

03.2025-now

Storyboard artist / 2D artist – Asterman

Creating storyboards for promotional videos for games

Preparing assets for animation

Drawing characters, character emotions, icons, and locations

01.2021- now

Artist/Designer

Creating logos, banners, flyers

Creating copies of paintings

Painting murals

Additional Projects

Developed a concept for a pixel game: created the story, designed characters, and drew backgrounds and environment elements.
